MEMORANDUM FOR: [REDACTED]

SUBJECT : World-wide Intelligence Data Handling
Systems (IDHS) Conference

1. My memorandum of 19 September reported that the annual DoD IDHS Managers Conference would be held at Airlie House, near Warrenton, Va., from Sunday, 30 September through Thursday noon, 4 October. I attached an agenda, and in your buck slip reply you requested that we "decode" some of the abbreviations thereon. That agenda, and explanation, are attached.

2. As to coverage of this event by IHC Staff, it is important that Messrs. [REDACTED] be authorized to attend the entire session. [REDACTED] the DIA representative to the IHC, is our entree to working level people and the details of the many information handling problems in the realm of DIA and the Services and Commands. [REDACTED] should have the opportunity to renew contacts and collect technical information that he is best qualified to evaluate for us.

3. I would like to attend some of these meetings, but I have so many commitments that I cannot tell in advance whether this would be desirable. Accordingly, I would like to leave my participation open until later this week. I think I should attend at least one session for protocol and to meet people, in view of my USIB responsibilities.

25X1

4. I request and recommend that you instruct Mr. [REDACTED] to arrange travel orders for [REDACTED] including an advance of \$100 per diem for the latter.
